

PHILIPPINES COUNTRY SPECIFIC REFERRAL CHECKLIST

- Family Profile form
- Type of Child Acceptable Form
 - Must match the child's needs and signed by home study social worker
- Family pictures (group and individual pictures, you being active in the community, doing activities, Home photos outside, and photos of each room
 - Provide a total of 12-15 photos pasted to a word document with labels (i.e. who is in the photo, where and when was it taken). Include your family name on the top of the word document.
- Short video of your family and a house tour
 - Create a 5 to 7-minute video introducing your family to NACC. Share about your family, each family member, where you live, your community, likes, activities you do as family, and then provide a walking tour, explain the layout of your house, who resides in each bedroom, etc. This should include a short statement on family dynamics, family's plans on how they intend to nurture a healthy parent-child and sibling relationship with prospective adoptive child. Close the video by sharing a heartfelt message to NACC outlining why you want to adopt this Child and expressing gratitude at the opportunity to be considered. Please provide a link to this video (YouTube or Vimeo) on the top of your first photo page.
- Social Worker Recommendation Letter stating that you currently have a home study that reflects the child's needs, or will update the home study to reflect the child's needs.
- Letter of Intent
- Family Home Study
- AGCI Assessment of Capability to Parent (completed by AGCI)
