

# SOCIAL WORKER APPROVAL & RELEASE

Family Name \_\_\_\_\_

Country Adopting From \_\_\_\_\_

Child's Name \_\_\_\_\_

Agency Name \_\_\_\_\_

All God's Children International (AGCI) requires that all adoptive parents consult with their home study agency's social worker regarding their referred child. This is to help ensure that the issued referral is within the scope of pre-adoptive education. AGCI also wants to provide the opportunity for additional education to take place, if needed, for the specific referred child.

## OPTION A

The family has discussed their referral with me.

This referral is within the scope of education provided during the home study process.

This referral is not within the scope of education of the home study. The supplemental education plan is as follows:

## OPTION B

At this time, I have not completed paperwork with a home study agency and understand that if my social worker does not approve me to adopt this particular child, I cannot move forward with this child.

Please return this document to AGCI with the completed placement agreement package.
